Progression Bikes Route Description

Murthly and Loch Ordie

40km

Step 1 - Hire a bike from Progression Bikes!

Step 2 - Head to the Birnam Train Station, and take the cycle path South. Meet the B867 and cycle on the road, under the rail bridge and then left at the top signposted Murthly

Step 3 - After 500m, and opposite Murthly Sawmill, take a right on a straight tarmac track, before a left on a cross roads to cross the A9

Step 4 - Head straight again on gravel track, through gate before eventually meeting crossroads with tarmac at a small hamlet of cottages.

Step 5 - Left here, through the farm then right through gate down Gellyburn to Murthly Road

Step 6 - Left downhill, over Tay, then right at small green sign to Spittalfield. Follow the gravel track round the fields to the village, and then cross the road to pick up another track behind the houses

Step 7 - Cross a ford and right at the main road, picking up signs to Dunkeld on A923. Look for unmarked turning on the right after the farm. Take this to ride round the Lochs to the main road

Step 8 - Right to Butterstone, then next left to begin the climb to Loch Ordie. First on tarmac (quite steep), then eventually gravel and passing through several gates as you ride round Deuchary Hill to Loch Ordie

Step 9 - Follow the signs back to Dunkeld, mostly downhill at this point, to complete the ride
